SIR:

Per the attached documents, Applicants hereby request that the Non-Publication Request filed on March 16, 2005 for the above-identified application be rescinded because it incorrectly certified that the invention disclosed "has not and will not be the subject of an application filed in another country, or under a multilateral agreement, that requires publication at eighteen months after filing". It is therefore requested that the Non-Publication Request attached hereto replace the previously filed Nonpublication Request Under 35 U.S.C. 122(b)(2)(B)(i). This correction is being made in response to the Notice Regarding Nonpublication Request dated August 24, 2005.

Respectfully Submitted,
